more than a meal

MORE THAN A MEAL:

"Thank you for the [meals]! It has become almost the highlight of my day. The only thing I look forward to more is my grandchildren coming over."

Nancy

"P.S. I love the young man who brings my lunch a couple of times a week. He even offers to take out my trash — and then does it! If I'm not feeling well, he'll bring the paper to me in bed and put my lunch in the fridge. He is so sweet."

"If it wasn't for your meals, I would have to be in a home. The volunteers are great and I look forward to your meals and visits each day!"

Kathleen
